THE GARAGE

The Garage blends history and style in a 1920s Art Deco conservation building, nestled within Singapore's first UNESCO World Heritage Site — the Botanic Gardens. This versatile venue hosts timeless memories and meaningful moments.

The blossoming and verdant indoor dining hall can flexibly be arranged to cater to private corporate events and celebrations of varying sizes — offering a cozy and idyllic setting for team gatherings, client appreciation dinners, or milestone celebrations.

IL GARDINO

INDOOR DINING

il Giardino: A Garden of Gatherings
From Our Garden to Your Table, a Tavola with Family and every meal feels like coming home.

Inspired by the unrivalled beauty of the Gardens, il Giardino's pillar-less indoor dining hall is surrounded by lush greenery — offering a serene and elegant setting for event celebrations.

More than just a restaurant, it feels like an extension of your own dining room — a warm and inviting space where families and friends can gather, connect, and create lasting memories.

Featuring classic Italian fare inspired from Venice, il Giardino specialises in Cicchetti-style dining — a curated variety of small plates designed for sharing and engagement. From our garden to your table, every dish is crafted with care and the finest local ingredients found in the Gardens — where thoughtful gatherings meet exceptional food, and every corporate event feels both intentional and memorable.

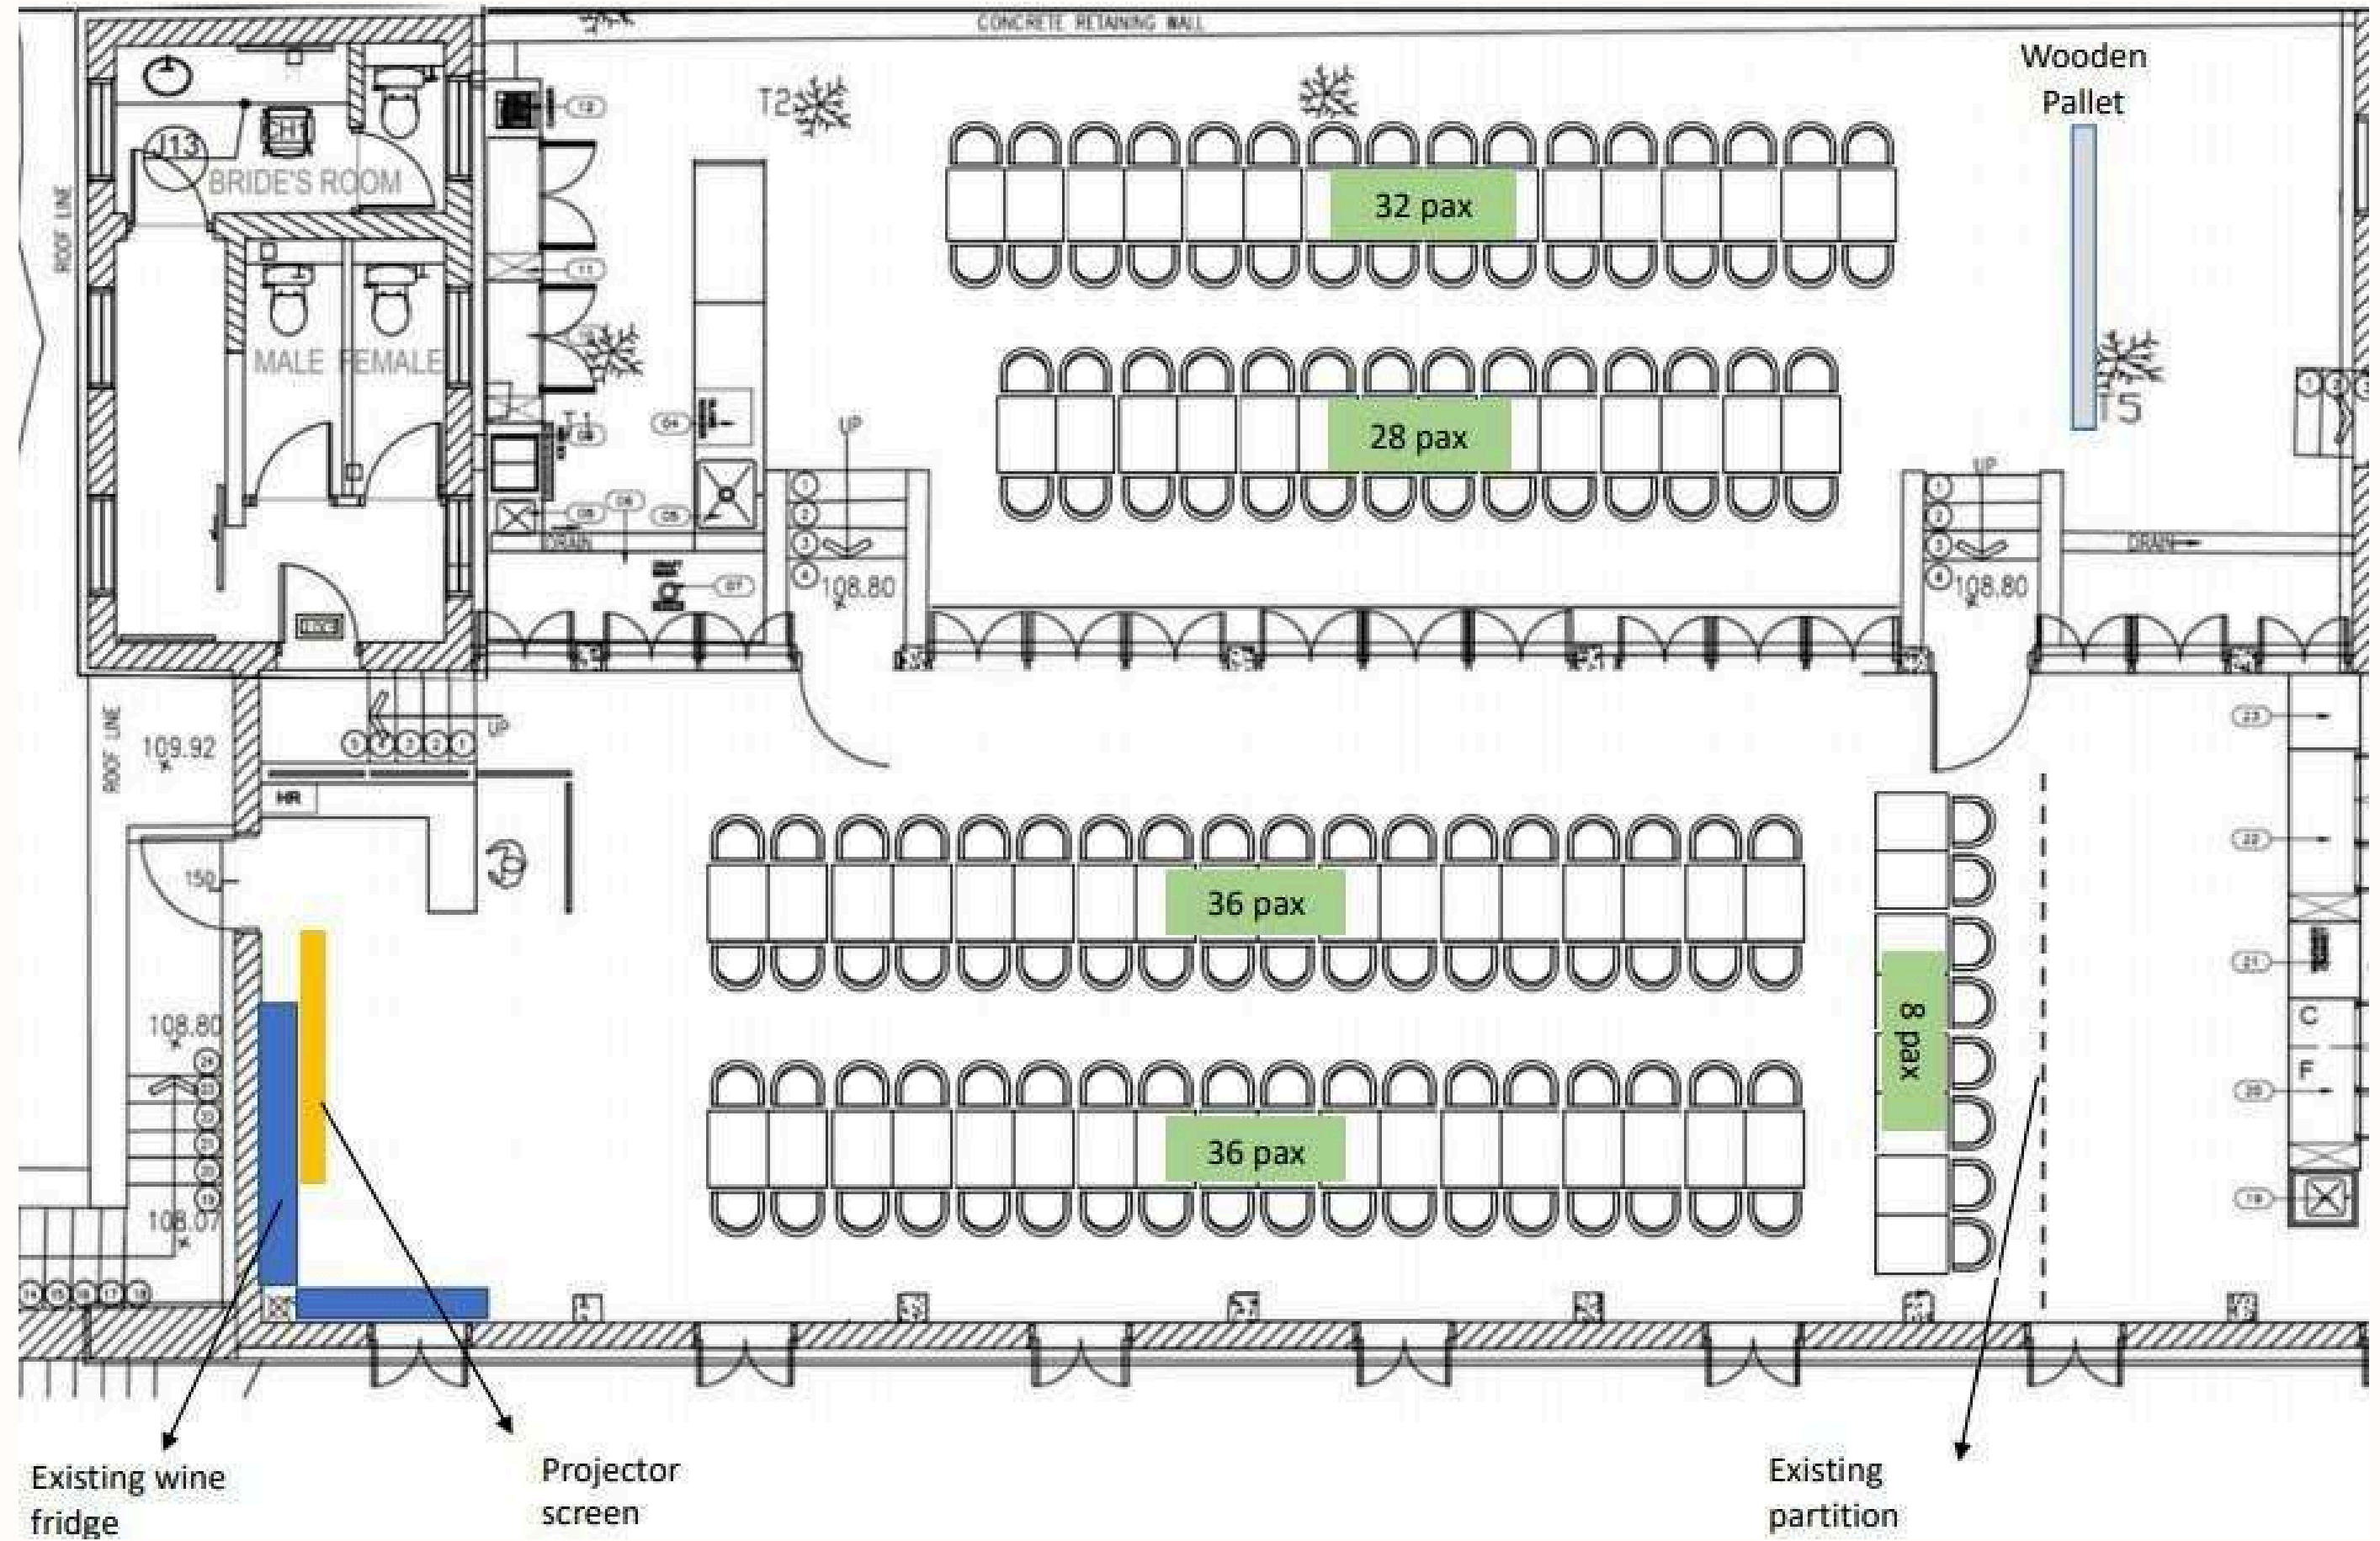

CUISINE

il Giardino (meaning The Garden) celebrates the harmonious marriage of traditional Italian recipes and nature-inspired surroundings, with a Cicchetti-style of dining that offers a warm, convivial atmosphere over hearty sharing plates.

il Giardino exudes a serene Italian dining retreat inspired by the tropical rainforest and majestic trees like the Tembusu. Each dish reflects the natural beauty of our surroundings — light, fresh, and perfect for Singapore's tropical climate.

From citrus-infused seafood pastas to floral-accented desserts, every bite is rooted in both tradition and place. Discover the simple, robust flavours of Italy, celebrating freshness, seasonality, and sustainability — thoughtfully reimaged with ingredients foraged from the Singapore Botanic Gardens.
