WEDDING KIT

A PLACE SET APART

WHERE LOVE FINDS ITS PLACE ON THE HILLTOP

Set atop Sentosa, 1-Flowerhill feels like a place set apart from the usual. It offers a setting that feels private, considered, and made for occasions that matter. The restored heritage estate, paired with a modern glass-clad hall, creates a space that is both characterful and contemporary, where your ceremony and celebration come together effortlessly, brought to life with the guidance of the 1-Host team.

THE CELEBRATION

AN I DO
ABOVE THE ORDINARY

Why settle for one room when your wedding can unfold across an entire estate?

Start with vows surrounded by lush greenery, move into cocktails as guests explore the grounds, and end the night in a glasshouse-style celebration filled with speeches, dancing, and the kind of moments people replay on Instagram stories the next day. Every part of the venue gives your guests something new to experience.

THE WEDDING TABLE

EVERY COURSE MAKES AN IMPRESSION

At Camille, French cuisine with Japanese influences brings together precision, creativity, and flavours your guests will actually remember. Expect beautifully plated dishes, thoughtful pairings, and courses that feel indulgent without being overly formal. This is the kind of wedding dinner people talk about long after dessert is served.
